Junior Division- Environmental Science

Kayla	Ortego	5 th	Junior Division	J7	Carbon Dioxide: Good or Bad?	Environmental Science
Keila	Flores	4 th	Junior Division	J8	How Does Pollution Affect the Ozone	Environmental Science
Taiyeb	Rangwalla	3 rd	Junior Division	J4	Measuring Effectiveness of an antimicrobial Agent by Measuring Zones of Inhibition on a Culture Plate Inoculated with E-Coli	Environmental Science
Anuka	Dhokal	2 nd	Junior Division	J5	An Efficient and Cheap Way to clean Arsenic From Drinking Water	Environmental Science
Shruti	Kumar	1 st	Junior Division	J9	Improving the Fenton Reaction For Water Treatment	Environmental Science

Junior Division- Life Science

Jessica	Turner	5 th	Junior Division	J29	How Permanent Are Permanent Markers?	Life Science
Zain-Ul Abideen	Mithaiwala	4 th	Junior Division	J22	Does Water Temperature Affect a Zinnia's Growth	Life Science
Aleena	Jose	3 rd	Junior Division	J18	Which Type of Water Helps Plants Grow Faster?	Life Science
Prawal	Sharma	2 nd	Junior Division	J11	How the weather does affect the students' behavior in school?	Life Science
Richa	Humagain	1st	Junior Division	J14	The Effect of Obesity on Students' Success	Life Science

Junior Division- Math & Engineering

Mason	Montgomery	5 th	Junior Division	J33	Aerodynamics of Paper Airplane	Math & Engineering
Travis	Langley	4 th	Junior Division	J34	Amazing Bean Machine	Math & Engineering
Zachary	Taqi	3 rd	Junior Division	J35	Number Spiral	Math & Engineering

Abhisek	Pandey	2 nd	Junior Division	J31	Can You Guess the Area of Texas Without Using any Mechine or Technology	Math & Engineering
Aneesha	Puppala	1 st	Junior Division	J30	Sustainable Utilization of Crushed Concrete Aggregate	Math & Engineering

Junior Division- Physical Science

Kevin	Lopez	5 th	Junior Division	J37	Burning	Physical Science
Erin	Parker	4 th	Junior Division	J47	Can Your Body Temperature Tell The Time of Day?	Physical Science
Sujana	Raut	3 rd	Junior Division	J46	Which Material Best Insolates Sound	Physical Science
William	Dobbs	2 nd	Junior Division	J40	Flying Paper Weights	Physical Science
Christian	Hermida	1 st	Junior Division	J39	Physics of Rainbow	Physical Science

Elementary Division –Grand Award-

Lyth	Nasir	Grand Award ^t	Elementary	E34	What Makes Objects Float in Water?
------	-------	--------------------------	------------	-----	------------------------------------

Elementary Division- Environmental Science

Madison	Kelly	5 th	Elementary	E5	Polution Catchers	Environmental Science
Sana	Babba	4 th	Elementary	E12	Wind Turbine	Environmental Science
Joseph	Murphy	3 rd	Elementary	E3	How Does a Solor Storm Occur	Environmental Science
Miguel	Flores	2 nd	Elementary	E11	Power of Water	Environmental Science
Andrew	Howell	1st	Elementary	E2	Weather Prediction	Environmental Science

Elementary Division- Life Science

Jared	St John	5 th	Elementary	E21	Distracted Driver	Life Science
-------	---------	-----------------	------------	-----	-------------------	--------------

Danny	Roemun	4 th	Elementary	E19	Effects Drinks Have on Your Teeth.	Life Science
Dan	Bui	3 rd	Elementary	E15	Optical Illusion	Life Science
Tasnia	Mahmud	2 nd	Elementary	E18	How Loud Sound Affect Your Hearing	Life Science
Scotty	Landers	1 st	Elementary	E17	Colorful Emotions	Life Science

Elementary Division- Physical Science

Atreyu	Callahan	5 th	Elementary	E39	The Melting Temp of Chocolate
Royce 'RJ'	Leeper	4 th	Elementary	E37	Does Temperature Affect Crystal Growth?
Alfredo	Flores	3 rd	Elementary	E24	Heat Absorption
Quynh-Vy	Hodac	2 nd	Elementary	E29	Which Liquid is Most Absorbent?
Lyth	Nasir	1 st	Elementary	E34	What Makes Objects Float in Water?

Elementary Division- Plant Science

Sydney	McCallum	5 th	Elementary	E51	The Effect of Soil Quality on Plant Growth	Plant Science
Ja'Kasia	Johnson	4 th	Elementary	E52	Plant Growth	Plant Science
Krystal	Sosa	3 rd	Elementary	E50	Capillary Action in Plants	Plant Science
Rishik	Puppala	2 nd	Elementary	E49	Does Sugar Water or Salt Water or Tab Water Help the Plant Growth?	Plant Science
Reginique	Coleman	1 st	Elementary	E53	Difference Between Plant Growth With Different Soil	Plant Science
